Summary

The American Indian Reservations / Federally Recognized Tribal Entities dataset depicts feature location, selected demographics and other associated data for the 561 Federally Recognized Tribal entities in the contiguous U.S. and Alaska. Categories included are: American Indian Reservations (AIR), Federally Recognized Tribal Entities (FRTE) and Alaska Native Villages (ANV).

Description

The American Indian Reservations / Federally Recognized Tribal Entities dataset depicts feature location, selected demographics and other associated data for the 561 Federally Recognized Tribal entities in the contiguous U.S. and Alaska. Categories included are: American Indian Reservations (AIR), Federally Recognized Tribal Entities (FRTE) and Alaska Native Villages (ANV).

Credits

The American Indian Reservations / Federally Recognized Tribal Entities dataset was compiled using USGS 7.5' quadrangle maps (1:24,000), Bureau of Census 1995 TIGER data sets (1:100,000), Bureau of Census 2000 TIGER data sets (1:100,000), Bureau of Census 2004 TIGER data sets (1:100,000), BIA Pacific and Alaska Regional Office coverages (1:24,000) and the GDSC-developed Land Title Mapper (LTM) (1:24,000).

Use limitations

Access Constraint: None (Public Domain Information) Use Constraint: None (Public Use) Use Limitations: The use of this data for engineering work or to legally define reservation boundaries is prohibited. Although many steps are taken to keep this layer current with the official designation, it should NOT be considered "gospel" as it is not a legal version of the reservation boundary only a good-faith attempt to depict it graphically. Any use of trade, product, or firm names is for descriptive purposes only and does not imply endorsement by the U.S. Government, the Bureau of Indian Affairs (BIA), or the Geographic Data Service Center (GDSC). Although this data set has been used by the Bureau of Indian Affairs, GDSC, no warranty expressed or implied is made by the GDSC as to the accuracy of the data and related materials. The act of distribution shall not constitute any such warranty, and no responsibility is assumed by the GDSC in the use of this data, or related materials.
