

-  2020 New Additions
-  2020 Rescheduled due to flooding
-  2020 Refly due to flooding
-  2019 Available late fall
-  2018 MDEM Ortho Delivered

Grenada 6 inch was flown in 2019 and delivered. The 12 inch will be flown in 2020.

The Mississippi GIS/RS Coordinating Council organized the collection of high resolution county imagery efficiently and economically by coordinating contractors, counties, MS Dept. of Transportation, MS Dept. of Environmental Quality, and NRCS. The imagery is freely available to the public as a part of MDEM.
